April News

It's Spring at Cast-On Cottage and Needlepoint Garden!

Spring weather has arrived and so have our new lighter weight yarns. The shop is full of new yarns, colors, canvases, stick pins, buttons and bags. To make room for all the new arrivals, we have discounted selected yarns by Debbie Bliss, Berroco and several others by 15% - 25%.

Cast-on Cottage and Needlepoint Garden is pleased to welcome the arrival of **Nan Remus**, our newest instructor. Some of you may have known Nan from her Marietta shop - *The Knitting Studio*. Nan is an expert knitter and will be teaching a [Beginner class](#) on Saturdays as well as [Socks from the Toe Up](#) on Monday evenings. Nan knit her first pair of socks for her son while he was serving in Afghanistan. He declared them a success and now both of her sons look to her exclusively for their socks.

We also welcome the addition of our new logo - see above! We think she represents us well - you'll be seeing a lot more of her soon on our new signage, bags and birthday cards!
